2026 IWMA Music & Merchandise Boutique

Beginning at noon, Wednesday, Nov 11 the boutique will be accepting items to sell.

This is an excellent opportunity to purchase great finds and help the IWMA, 15% percent of all consignment sales go directly to the IWMA. Better yet is the opportunity to make some money by selling your new or gently worn western items!

For those who arrive Thursday, Friday and Saturday, items will be accepted before 3 pm each day.

Please pass along this information to your fellow performers, members and friends of the IWMA.
